

SUBMISSION TO IPART REVIEW
SOLAR FEED-IN TARIFFS 2017/18

Saturday, 20 May 2017

7:53:02 AM

Everyone with Solar now has a smart meter and they are all firmly biased in favour of the Power Companies. The technology is already there, make the Power Companies buy our power at the same rate of day that they take it. ie. if they take it in peak times then pay us peak rates for each Kw. You are allowing them to steel our power and get away with it.

Thankyou

Heather Ford
