Submission: "Hi there,

I support a fair price for solar - I myself am a solar owner.

It's not fair to punish solar owners who are helping bring down the price of electricity for all NSW energy users.

Last year more than half of the retailers in NSW failed to offer a FiT within the benchmark range. The FiT needs to be regulated and mandated so that the retailers have to offer it as a minimum

Please do not lower the current NSW solar feed-in tariff benchmark

Regards,
Ingrid Anderson"
