Ms Greenaway  
Councillor  
Central Coast Council  
[REDACTED]

Dear Ms Greenaway,

**Re: Proposed Changes to Central Coast Stormwater Charges.**

We are strongly opposed to the Central Coast Council's proposal to charge us for stormwater drainage. We do not believe that these charges are warranted and were not consulted during the decision process.

The proposed charge does not seem to be related to any additional services to our properties or our village. Our local drains and culverts could use some work, but the charge does not seem to be for such works.

We do not know on what basis the charges are proposed and question the validity and legality of this 'rate increase'.

Yours sincerely,
