**SOLAR FEED-IN TARIFFS 2017/18**

**Saturday, 20 May 2017**

10:54:39 AM

I would like a fair price for solar. I want the feed in tariff to be increased to Match wholesale prices. The feed in tariff should represent the true value of solar. As the feed in is so low I am currently researching prices for battery storage so I can save money by using the power I produce. If the feed in was higher I may not be doing this so urgently thank you
