SOLAR FEED-IN TARIFFS 2017/18

Saturday, 13 May 2017

9:06:48 PM

Increase the solar feed-in tariff: I support a fair price for solar, and the feed-in tariff should increase in line with wholesale price of electricity - it should be regulated to ensure retailers offer the wholesale price as a minimum. Please regulate this to recognise the benefits of rooftop solar, the give value to solar, and also recognise the flow value to the environment and health.
