SOLAR FEED-IN TARIFFS 2017/18

Tuesday, 9 May 2017
2:07:40 PM

To end the theft of our solar power. I strongly suggest we as a group. And I don't just mean NSW but all solar owners across Australia sign up to stop supplying power to the grid. Until we as a group are paid a true and reasonable rate for our input. This could be done by hiring firms to alter our meters. I would suggest this be done asap. Or we as owners should as a matter of urgency be consulted using Solar Citizens as our advocate.
