SOLAR FEED-IN TARIFFS 2017/18

Tuesday, 9 May 2017
9:17:39 PM

I demand a fair price for solar;The feed-in tariff should increase in line with the wholesale price of electricity;The feed-in tariff should not just be a benchmark range, it should be regulated so retailers have to offer it as a minimum;The feed-in tariff should represent the true value of solar, this means recognising the environmental and health benefits and the network benefits of rooftop solar;
