

SUBMISSION TO IPART REVIEW
SOLAR FEED-IN TARIFFS 2017/18

Friday, 19 May 2017

4:59:07 PM

I am writing to you to express my support for a fairer feed in tariff for solar. It simply is reasonable to expect that the price for solar lineup with the price of wholesale electricity.

Further, the environmental, health and network benefits from producing solar energy should be recognised and encouraged.
