

SUBMISSION TO IPART REVIEW
SOLAR FEED-IN TARIFFS 2017/18

Saturday, 20 May 2017

6:01:03 PM

I used to think that Australia was a fair country. This is no longer the case as evidenced by your grab for money. You sell our green energy to Green customers at inflated prices and yet you are only willing to give us \$00:14.

Our efforts will do just a little to mitigate against the heating of the planet which will impact on you and your families also.

Be a fair energy provider.

Margaret Lund
