

**SUBMISSION TO IPART REVIEW**  
**SOLAR FEED-IN TARIFFS 2017/18**

**Friday, 19 May 2017**

12:29:02 PM

That you support a fair price for solar;  
The feed-in tariff should increase in line with the wholesale price of electricity;  
we have shown consideration for the true value of solar, this means recognising  
the environmental and health benefits and the network benefits of rooftop solar;
