SOLAR FEED-IN TARIFFS 2017/18

Tuesday, 9 May 2017
11:58:16 AM

To IPART The price for solar should be regulated so that the price paid to small solar systems such as rooftop acknowledges that these systems have to be maintained and play an important part in maintaining power supply. I believe that a fair price should be around 15 cents at this time and should increase with increases in the wholesale price of electricity
