SOLAR FEED-IN TARIFFS 2017/18

Tuesday, 9 May 2017
12:15:38 PM

i support a fair price for solar,the feed in tarriff should increase in line with wholesale price of electricity, it should be regulated so retailers have to offer it as a minimum.The feed in tariff should represent true value of solar, this means recognising the environmental and health benefits of rooftop solar. Thanks
