**SOLAR FEED-IN TARIFFS 2017/18**

**Tuesday, 9 May 2017**  
10:48:46 AM

I am disgusted with the price I am currently receiving for the solar electricity I am currently feeding into the grid. It should be doubled and kept in line with increases in the wholesale price of electricity. This would be fair, encourage more people to invest in solar and benefit all Australia by making Australia a cleaner and healthier country
