

SUBMISSION TO IPART REVIEW
SOLAR FEED-IN TARIFFS 2017/18

Tuesday, 9 May 2017
12:29:23 PM

As pensioner I put solar panels on my roof to reduce my electricity bills, feels like all I am doing is providing almost free power to my energy provider for them to sell back to me at 3 times the price. I am being ripped off and the government is doing nothing about it
