

SUBMISSION TO IPART REVIEW
SOLAR FEED-IN TARIFFS 2017/18

Wednesday, 10 May 2017
10:17:07 AM

Firstly, may I congratulate you on your recognition & endorsement of true value of solar in your proposed pricing formula. Could I ask that the benchmark be adjusted regularly to reflect the changing wholesale price. Could I also asked that the Tribunal continue to monitor the response from the retailers to this benchmark advice to determine whether a more regulatory approach may be necessary to achieve the desired outcome.
