

**SUBMISSION TO IPART REVIEW**  
**SOLAR FEED-IN TARIFFS 2017/18**

**Friday, 19 May 2017**  
11:32:05 AM

The value of our green energy is worth more than 6c. Energy company's should not be dictating price. Solar energy producers should not be ex spoiled by energy company s, that have not got the community interests at heart.
