SOLAR FEED-IN TARIFFS 2017/18

Tuesday, 9 May 2017

3:27:47 PM

Even if the price is doubled the energy company's are still getting a bargain. I have put up the money to install and maintain my solar system,after the pay me 12 to 20 cent they would still be making on over the top profit at no expense to them selfs. Wish I had a business like that!
