

**SUBMISSION TO IPART REVIEW**  
**SOLAR FEED-IN TARIFFS 2017/18**

**Tuesday, 9 May 2017**  
10:53:26 AM

I am writing to support the IPART proposal of a fairer price for feed-in solar. The current price does not recognise the investment made by home owners, maintenance and repair costs and the environmental benefit provided by home solar generation. The feed-in tariff should be regulated.
