

SUBMISSION TO IPART REVIEW
SOLAR FEED-IN TARIFFS 2017/18

Saturday, 20 May 2017

3:46:04 PM

We went solar believing that we were helping Government and AGL with a supply shortage at that time. We helped the Government and we believe that Government should insist that a fair Going price should now be made available to those in the community as we did. The retailers should be regulated and a fair price be mandated. Si & Barbara Banks
