

**SUBMISSION TO IPART REVIEW**  
**SOLAR FEED-IN TARIFFS 2017/18**

**Friday, 19 May 2017**

10:39:32 PM

We're doing our part to help the environment by installing solar power. We should be paid at least the wholesale price for the energy we supply. A bonus amount should also be paid to encourage others to take up solar power and to reward existing solar customers for doing the right thing.
