

**SUBMISSION TO IPART REVIEW**  
**SOLAR FEED-IN TARIFFS 2017/18**

**Tuesday, 9 May 2017**

We want a fairer feed in tariff . We installed solar in order to do our part for the environment and hopefully decrease the ever increasing electricity bills. However with such an unfair tariff offered by our supplier, we have not at all benefited as our bills are still high. Come on, how about a fair go for all !!!!
