SOLAR FEED-IN TARIFFS 2017/18

Wednesday, 10 May 2017

1:04:01 PM

Dear IPART. I've had solar PV system on my home rooftop since 2009. I believe solar residential is a sustainable environmental replacement energy source and NSW should move rapidly towards full implementation. I want a fair price for the solar electricity I supply to the grid. All buyers should be required to pay a fair price.
