

SUBMISSION TO IPART REVIEW
SOLAR FEED-IN TARIFFS 2017/18

Tuesday, 9 May 2017
11:33:22 PM

We need 20c per KW as the power companies are still ripping us off at that price when we are paying above 24c per KW and were told our power prices are going up by 40% in the next year so our feed in power needs to reflect this typical liberals allways ripping the people off whild backing there big pals
