

SUBMISSION TO IPART REVIEW
SOLAR FEED-IN TARIFFS 2017/18

Wednesday, 10 May 2017

4:47:15 PM

Dear Friends,

I go even further. Origin is actually stealing my own produced and not used power and sells it to other users of Origin. There is only one correct way: I should only have to pay what I actually used from Origin. It was correct when the meter reading did go backwards when I produced more than I used.

Regards

Thomas Duss
