**SOLAR FEED-IN TARIFFS 2017/18**

**Friday, 19 May 2017**  
11:34:56 AM

to IPART -  
there is a definite need for a proper feed-in tariff price for rooftop solar generated power. The sooner this is recognised the better for our community. We should be a world leader on renewal energy front, not dragging behind.
