**SOLAR FEED-IN TARIFFS 2017/18**

**Tuesday, 9 May 2017**

4:21:22 PM

Please make the feed in tariff fair and reasonable and in line with the cost of electricity. Payment of 6 cents when we are being charged 5 times that is hardly fair and reasonable. Please increase the feed-in tariff to represent the true value of solar and make it compulsory for the new rate to be paid as a minimum that increases inline with electricity charges
