Submission: I regularly use the 661 Ballina to Lismore bus. The bus timetable has buses 2 hours apart. To get to Lismore I have to get a bus at either 8am or 9.50 (which is usually 15-20 minutes late). A bus at 9am would be more convenient. Also there are no buses on a Sunday and I as I am a senior and have no car I have no way of being able to go out. I live at Wollongbar.
