Dear Dr Boxall

LLS Board of Chairs Submission on Funding Framework for LLS NSW

I write to express Council's serious concern with the Local Land Services Board of Chairs submission to the IPART Draft Report on its review of Funding Framework for Local Land Services NSW.

Council has been forwarded the submission by Local Government NSW and Council strongly supports the position of that submission as it relates to Local Governments involvement and administration of the recommendations in the LLS submission. These points have been highlighted within the submission from Local Government NSW.

If you require any further information please contact Council's Acting General Manager, Michael Sewell on 02 4645 4662.

Yours sincerely

Michael Sewell
Acting General Manager
