Review of Local Government Rating System
Independent Pricing and Regulatory Tribunal
PO Box K35
Haymarket Post Shop NSW 1240

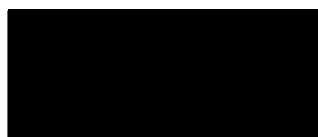

Dear Sir/Madam,

Review of Local Government Rating System – Issues Paper

Fairfield City Council supports the NSW Revenue Professionals submission however would like to add one further point in relation to rate pegging.

Fairfield City Council would like rate pegging to also allow for additional increases to the rate peg for growth areas and for increases in population density. The increases in the rate pegging will allow Councils to maintain consistency of service levels.

Yours Sincerely

Fred Lloyd
