Submission: I am paying \$4.7 per trip for work each day, i.e. \$9.4 per day. Currently I am paying Mon to Thurs only ( $\$4.7 \times 8$  trips) for \$37.60 per week. With the new change, I will be paying \$47.00 a week, i.e. \$9.40 more than currently I am paying, a whopper increase of 25%. I totally think this is a ridiculous and unjustified proposal.
