Date of submission: Wednesday, 6 January 2016

Submission: Dear Madam/Sir,

I am making a Submission AGAINST the Ipart OPAL Determination.

The reason is because I believe that whilst Fares need to be increased, the timing is not correct right now.

I suggest that Fares should be increased in July 2016, right after the Financial Year begins.

This gives everyone time to adjust to the OPAL-only card initiative, which means that no paper tickets exist.
