Dear Director of IPART,

Please do me a favour, please go and do 10 day shifts of TAXI driving, for a taxi company, or a taxi owner, to find out how hard it is to make a living as a TAXI driver. You quickly realise that you can make ~~only~~ only \$40-00 a taxi shift, only \$200-00 a week, hardly enough to make a living, let alone to save enough ~~to~~ money to buy a house in Sydney!! You do NOT seem to know much the reality of TAXI driving, and you are given a job to do recommendations to the motor transport. You are NOT fit to be the director of IPART. You only live in a dream world. If you were lucky enough to become prime minister of Australia, you will NEVER be able to bring pride and prosperity ~~to~~ ^{to} the country of Australia. So, I hope you will NEVER become the prime minister of Australia - FULL STOP!!!!

TAXI DRIVERS.

hard life!!
