Submission: As a senior card holder, I am appalled that IPART has proposed to remove the \$2.50 senior's card daily fare. This fare allows me to volunteer, to enjoy life, to see friends, shop and do numerous other things in my day to day life.

It would be a major cost to me as a retiree. I use public transport very regularly. Would you prefer that I drive everywhere, stink up the city with pollution, and add to traffic congestion? It's mean spirited.
