24th January 2016 -

Dear Sir,

I am writing to express concern on reading information regarding Opal card increases proposed by Government which will be effective from 1st July 2016 if they are adopted. A date of 5th February has been given to submit any objections regarding the price changes.

I am unsure if those holding CSHC are included as no mention was made, Senior/Pensioner or War Widows were mentioned with Opal to be capped at \$3-60 per day but if not holding one of these cards the fare would be capped at \$9 per day which is excessive.

I would be grateful if this could be made clear. I do not have a computer.

Yours faithfully
