Submission: I object to the changes in the Opal Gold Card for seniors.

We have worked all our lives to reach 60, and have had the NSW Government assure us that with the removal of paper tickets, the Gold Card cap of \$2.50 a day would be maintained.

This is a broken promise.

I may not be eligible for the pension yet, but I do have a NSW Seniors Card with all the concessions that come with it - including the \$2.50 a day travel.

Would you prefer I use my car and clog up the roads every day?

Pollute our air with fumes?

I ask the Government to maintain the Gold Opal concession, so older people can get out and about and not use their vehicles instead.
