Submission: Please keep the \$2-50 train fares for sunday unchanged as there are many poor and struggling famalies rely on the sunday to go shopping for groceries and other necessary household items,increase from \$2-50 to \$7-20 is killing people, life is already very hard with the high costs of living, please have a kind heart by keeping the sunday \$2-50 cap unchanged otherwise many vulnerable and struggling families will have a very difficult life ahead and might end up committing suicide!!!
