Submission: Dear Sir or madam,

On behalf of our son [REDACTED], when his judgement was finalised 20 years ago in the supreme Court, at that time a Payment was made to your Department in the amount of \$11,000.00 when I question why this amount was deducted from our sons account I was informed by [REDACTED] person Incharge at that this is one off payment for your sons fees for the rest of life, your department has been double dipping the past 20 and frankly I have had enough, all your Department has done over past 20 years is caused us grief and wasted our Son money they make to many mistakes

Kind regards

[REDACTED]. per Father [REDACTED] 2nd June,2014
