Submission: I am writing to voice my concern at the proposed changes to the Gold Opal Card and in particular for Seniors who do not hold a Pensioner Card. As a self funded retiree on a fixed income it would be beyond my means to travel to my voluntary work and the numerous activities I engage in to keep my body and mind in a healthy state, thus possibly saving the Government Medical Costs. We have one car and rely on and use public transport in preference to car travel. I believe a small increase in the card for Seniors not holding a Pensioner Card to perhaps \$3.50 would be acceptable but definitely not an increase to \$9 per day.
