

Author name: B. Rogers

Date of submission: Thursday, 4 February 2016

Submission: I am an elderly woman. I volunteer at Auburn Diversity Services teaching English to migrants. I live in Darlinghurst and need to travel by train to Auburn. I also care for my grandchildren at Petersham several days a week.

I am a self-funded retiree living alone. I need to travel by public transport and I would find any increase in \$2.50 ticket would severely limit my participation in these worthwhile activities.

Please don't increase the fares.
