Submission: Dear Sir

I wish to voice my concern at the very significant proposed increase in fares for the Opel Seniors concession card. Presently it has a \$2.50 daily cap and being increased to a \$9 daily cap will impact on my wife and I plus many other individuals to enjoy outings with our retired Probus friends. Pensioner Opel card holders will pay a \$3.60 daily cap.

It is another hit for self funded retirees and very unfair.

May I suggest a daily cap of \$5.

A \$9 daily cap will deter us from using public transport and rely more on car usage.

Yours sincerely

David & Jeanette Lloyd.
