

Author name: D. Turner

Date of submission: Thursday, 31 December 2015

Submission: There has been report submitted regarding operational efficiencies prior to making any decision regarding raising prices.

There is no transparency regarding service occupancy and any accountability to cut services not being used, or reduce those during off-peak.

Currently I need to take 2 buses and the train from Parramatta to North Sydney. This costs \$60 a week (with the 8 trip reduction). Your proposal is unacceptable.
