Submission: Well Well Well I read that having a Seniors only card is going to see my travel costs go from \$2.50 cap per day on my Opal Card to a \$9 cap per day. I thought this Government wanted less cars on the road. But if this increase occurs then I will be driving. Along with a huge number of my friends.

This Liberal Government is crazy, as I live in Warringah and am very unhappy about joining Pittwater.

Here comes the LABOUR PARTY at the next election.

So Liberal Party beware if you continue to hit us Seniors.
