Submission: I wish to strongly object to the proposal to increase the daily cap for seniors without a pension card from \$2.50 to \$9.00. This is a 260% increase which is outrageous for those who have worked hard all their lives, paid taxes, and scrimped and saved to fund their own retirement. We are given very few benefits, and to remove this one benefit is quite unreasonable and would certainly cause one to re-consider one's voting intentions. A nominal increase to say \$3.60 or even \$4 would be more reasonable.
