Submission: I have been a volunteer court support worker for the past six years. I regularly use my Gold Opal Card to travel to and from court and to various course locations for volunteer development. The daily limit of \$2.50 per day means I can volunteer without an added burden to my budget. I STRONGLY OBJECT to the proposal to increase this daily limit. The state government needs to recognise the good that comes from an affordable Gold Opal Card and to include this in assessing the gains for maintaining a \$2.50 cap on daily travel.

The Gold Opal card allows retirees to join in a range of activities and provides a safe, reliable and cost effective way to travel.

Think broadly. Think inclusively. Think wisely. MAINTAIN THE CURRENT DAILY CAP OF \$2.50.
