Dear Sir

IPART REVIEW OF NSW TRUSTEE AND GUARDIAN

As a retired solicitor who specialised in Probate and Equity Law I feel compelled to respond to the draft IPART submission.

In my view it is essential that the NSW Trustee & Guardian remain as an alternative independent provider of trustee services for the people of New South Wales.

Countless thousands rely on the perpetual existence of this independent body to protect their interests both now and in the future.

How could such an essential organisation be adequately replaced?

Yours faithfully,
