Submission: As a Senior's Card Holder I wish to express my concern at the proposed price increase when using the Opal Card. Increasing the daily cost of transport from \$2.50 to \$9.00 is drastic and unfair.

The government seems bent on putting more people onto the roads, not only by constructing more motorways but also by having them revert to using their own vehicles rather than increasingly expensive public transport.

I urge the Government to carefully consider such a sensitive issue.

Yours sincerely,  
Tim Glover
