Submission: As an individual using Trustee & Guardian I feel the fee structure is way too HIGH. My son had to sell his home and be placed in Aged Care at the age of 41 years against the wishes of himself and of his family who had cared for him at home for 22 years following a car accident in 1987. Reasons being it would be cheaper for him to live in Aged Care. And then go and charge him an average of \$600.00 per month to pay a bill.

And then say they have the best interest of the people, which I dispute

There is nothing fair or transparent of the fees that is charged by the Trustee & Guardian as it stands today. And should be lowered for the disadvantaged people
