Date of submission: Wednesday, 4 April 2012

Submission:

Dear Sir,

Reference is made to the above review/investigation.

The Discussion Paper has been reviewed.

By and large the preliminary views and conclusions expressed by IPaRT in Chapter 2 of the Discussion Paper don't look unreasonable.

Historically Council has engaged with the customer prior to the price setting process notably by:

- briefing of elected representatives
- public exhibition of Annual Management Plans detailing fees and charges/CAPEX programmes

Thank you

**Ian Johnson**
