Re review of rental
for domestic waterfront
tenancies in N.S.W.

I strongly
object to any increase in rent
for waterfront facilities. No work
is done by the government.
Waterfront owners help in keeping
the rubbish to a minimum.

Land taxes to the
government are absolutely huge
for waterfront owners now the
government wants another tax
increase as well.

Since we are
by comparison a minority

P.T.O

Compared to other ~~people~~
owners I believe we are
manipulated
