Subject: Protest about CityRail Fare Increases

To whom it may concern

I am opposed to a 25% fare increase. Why should I be penalised because I live 50 kms out of the City and have to use CityRail to get to my place of employment 5 days a week. Thousands of people live out in the suburbs and work in the City or other centres and have to travel by train. The increase is way of the top, especially in this financial climate.
